

“We Are West Ranch”

Call to Action

1. Write to the Hart Board and convey your concerns about splitting up the Stevenson Ranch community’s students and the schools they currently attend as well as overcrowding of WRHS (copy Kim Davis on your correspondence – dodge59pu@sbcglobal.net)
2. Attend the February 21st Hart School District board meeting to show your support (yes, there is strength in numbers) – location TBD. Bring a friend!

Talking Points

- We are part of the Stevenson Ranch community (don’t split us up!)
- Placing portable classrooms at WRHS uses “long-term” money for a “short-term” fix
- Why move/install portables at WRHS at a cost of \$1.9 - \$3.0 million when they already exist at Valencia?
- Overcrowding will impact the quality of education for **all** students at WRHS
- The board seems to be dismissing its staff’s recommendation – Castaic students attend Valencia until Castaic HS is completed
- How safe is it to have 5,000+ students (Jr. HS and HS combined) being dropped off and picked up daily on Valencia Blvd., a residential street with one way in and out?
- Write the board with this thought in mind – your words represent **all** residents of Stevenson Ranch!

Please don’t:

- Threaten with litigation, injunctions, etc.
- Talk about “our tax dollars pay for WRHS” or “I paid more for my house to make sure my kids attend the best schools”
- Make disparaging comments about any school or community
